2. Our system will send a verification email to the email address you entered for you to confirm your email address. The email will come from noreply@reg.playmetrics.com with the subject line "Verify Your PlayMetrics Account". Click the "Confirm Email" button to verify your email address and complete your account setup. After verifying your email address, you will be prompted to enter your contact information to complete your Parent or Guardian account.

3. Add your player information for each child you plan to register.

4. Based on the player information provided, you will be shown a list of programs available to each player.

For more information on how you register a player for a Club Program, please see the article "[Registering a player for a program](#)".

For more information on setting up your Player Contact account, please see the article "[Setting Up Your Account: Parents & Players](#)".

If you are still having trouble registering, please contact support@playmetrics.com and provide the following information:

- The name of your Club
- Your name
- Your player's name (if applicable)
- Email address you supplied to the Club
- The email App or Service you are using
- Description of your issue
- Phone number where we can reach you

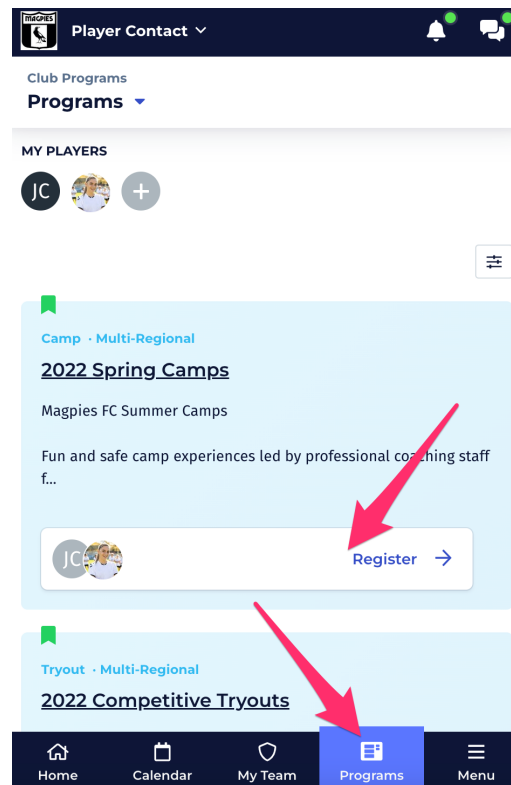

STEP 2: REGISTER FOR A PROGRAM- (in this case: club tryouts)

Registering for a Program

As a Player Contact, you will be able to see featured programs from your home screen or can navigate to CLUB PROGRAMS from the left-hand menu to view the list of programs that are available for your Player. If you are in the PlayMetrics mobile app tap "Programs" in the bottom menu to view the available programs. Only the programs that your current Players are eligible for will appear in the list of programs. Click on the appropriate program to begin the registration process.

Note: If the player to be registered does not appear in your account, use the "Add Players" link to add the necessary players.

Program registration will differ for each club, but expect player and program questions, and volunteer sign-ups to be collected at this phase. If volunteer sign-ups are collected, marking yes will require you to enter contact information for the selected volunteer role.

Next, you will be asked to select your payment option for the program if it is a paid program. In the example below, there is the one-time payment option, and two payment plans to pick from. Click "View Payment Schedule" to see any acceptance fees, and the billing dates and amounts for the payment plan.
